Background Story

GT Pantheon is an interpretation of historic shapes in a contemporary manner. It exhibits an expressive and dynamic character visible in every stroke. At its core is the conception of three optically-adjusted faces, each designed to best represent the same type at different sizes: Display, Text, and Micro. Within this spectrum, the family moves between elegance, sharpness, warmth and robustness, matching expression with functionality.

Free Trials Download our trial font library to try them out before buying. You will receive an email containing all trial font files once you've submitted the form. You can access the trial font library here: www.grillitype.com/free-trial-fonts

Licensing We sell fonts licensing, and we are happy to answer all your questions related to our fonts, our licensing, and our shop. Please email us for any other questions, such as to find out about the world's cutest dog. Depending on the licensee's location, a different licensing agreement may apply. Please review our EULA for customers in the United States and anywhere else in the world.

Customizations We offer the design of typefaces and wordmarks. Created to fulfill all your needs from the ground up, custom type can offer you the kind of flexibility and perfect fit that retail type cannot. We also create language extensions and typeface customizations so you can speak to your customers in their own languages — whether that's Russian, Vietnamese, Japanese, or nearly any other language and script.
